

**SOUTH VALLEY WATER RECLAMATION FACILITY  
NOTICE OF SOLE SOURCE PROCUREMENT**

March 15, 2023

---

Pursuant to UTAH CODE ANN. §63G-6a-802, public notice is hereby given that South Valley Water Reclamation Facility (“SVWRF”) intends to conduct a sole source procurement for the purchase of programmable logic controllers and accessories for the replacement of obsolete equipment throughout the facility.

Conducting Procurement Unit:	South Valley Water Reclamation Facility
Procurement Unit Acquiring Procurement Item:	South Valley Water Reclamation Facility
Solicitation Opening Date:	March 16, 2023
Solicitation Closing Date:	March 26, 2023
Issuing Procurement Unit Contact Information:	Lee Rawlings (801) 566-7711 Monday–Thursday 9:00 a.m.-4:00 p.m.

This procurement involves Emerson PACSystem industrial controllers and accessories. This equipment is used throughout the facility and will be replacing existing older GE Fanuc Automation programmable logic controllers and appurtenances. This equipment purchase is intended to be procured from TMMI. If, for any reason, any party does not agree that this sole source purchase is applicable, they should contact the Issuing Procurement Unit Contact person listed above.

This sole source procurement is appropriate for the following reasons: 1) TMMI is Emerson’s authorized representative and channel partner for Utah, 2) The procurement is done in consideration of standardization & compatibility with existing equipment at the South Valley Water Reclamation Facility, 3) Basic operation and programming of the equipment is compatible with existing gear and software, and 4) Transitional costs are comparatively unreasonable or cost prohibitive.

The final decision for this sole source procurement will be made no earlier and no later than March 27, 2023 at 7:30 AM.
